# StenniSphere

It's  
BLAST!

## Stellar Events

Here are  
StenniSphere's  
latest  
outta-this-  
world  
adventures

## Visit Space Station Imagination Jan. 30- Feb. 7

at the I-10  
Hancock County  
Welcome Center

**Open to the public.  
Free Admission.**

See what it's like to live in outer space when NASA's International Space Station (ISS) traveling exhibit visits the Launch Pad at the I-10 Welcome Center from Jan. 30 to Feb. 7, 2002. You'll feel like an astronaut as you enter this full-sized mock-up. Inside the exhibit's two 48-foot trailers, you'll be greeted by life-sized animatronic "Astronaut Emily." See how astronauts eat, sleep and work in their home in space. Stennis Space Center is sponsoring this first stop on a national tour of this exciting exhibit. *Make your group's reservations today!*

Attention  
Teachers!

## New Stage Shows

StenniSphere has all new interactive stage shows for 2002!

Oh my stars!

## We've landed on Mars!

Join Cosmo and Dr. Halley Comet on their entertaining adventure as they "crash land" on the surface of Mars and conduct their highly scientific (and hilarious) research. You'll have a great time while you learn some amazing facts. StenniSphere's new stage show debuts Jan. 7, 2002.

Hancock County, Mississippi

# StenniSphere's Newest Exhibits

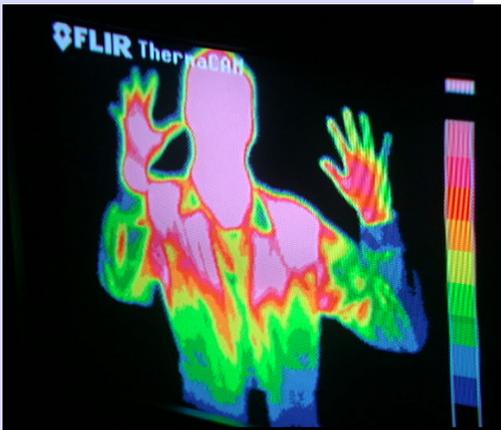

## Spaceball Gyro Chair

Hold on tight! Take a spin on StenniSphere's new gyroscope chair and see what it's like to be trained like an astronaut. The Gyro Chair's design is based on the real thing: NASA's Astronaut Gyroscope Trainer. It'll have you rolling!

## How cool are you?

Think you're cool? Find out just how cool (or hot) you really are. Step in front of StenniSphere's thermal image camera, which turns your figure into a color image showing hot and cool spots. You'll be amazed!

## Astro Camp 2002: What's in the Night Sky?

Start planning now for StenniSphere's Astro Camp 2002 (one-week day camps). This year's theme, "What's in the Night Sky," deciphers the mysteries of the heavens. Call for schedules and fees. Better hurry and enroll. Classes are limited, and they fill up fast! And, get ready for Astro Camp Saturday, which takes place one Saturday each month.

**Astro Camp SATURDAY**

## Scouts Earn Badges at Stennis Space Center

Stennis Space Center is a favorite place for Scouting activities. Stennis' Star Station One: Outpost in the New Millennium gives Boy Scouts and Girl Scouts what they need to complete their aviation and space exploration badge requirements. Call the number listed on this poster to make reservations.

## StenniSphere Field Trips

At StenniSphere, students have a great time while they learn interesting facts and gain new experiences. Field trips are easy to schedule. Teachers receive valuable lesson plans prior to visiting. Put your students' experience to work in the classroom.

**OPEN DAILY**  
**Hours are:**  
**9 a.m. to 5 p.m.**

*Except for major holidays. For more information or to book group reservations, call (228) 688-2370 or 1-800-237-1821 (Option 1) in Mississippi and Louisiana, or visit [www.ssc.nasa.gov/public/visitors](http://www.ssc.nasa.gov/public/visitors). FREE ADMISSION.*
